Dear Walter:

STAT  
STAT

Referring to our brief talk the other day about [redacted] I wanted to confirm that I have known [redacted] well for almost 20 years, from the time when he was a young lawyer in the office of [redacted] when he was D.A. Subsequently he worked closely with me during the war in OSS and after the war we were associated in some legal negotiations. [redacted] is deeply interested in foreign affairs and I feel could add a good deal in the discussions of those questions at the Council, particularly questions relating to Russia and the European Satellites.
